

Invitation to Join the National ONAC Native EITC/VITA Network

For interested parties, we invite you to join the Oklahoma Native Assets Coalition (ONAC) national Native EITC/VITA Network. If you are serving a Native community, even if you do not coordinate a Volunteer Income Tax Assistance (VITA) site, you may receive information you can share with your clientele through emails sent to the national ONAC Native EITC/VITA Network members.

ONAC administers the Native EITC/VITA Network as part of its integrated asset-building programming. This network is comprised of Native VITA site coordinators and advocates located throughout the United States. The purpose of the network is to share resources and opportunities, to provide a platform for interaction among Native site coordinators, and to bring concerns from Native VITA sites to appropriate parties. To complete the ONAC Native EITC/VITA survey and/or to join the related directory, go to <https://www.surveymonkey.com/r/ONACVITA>. Those interested in joining the network may also contact Patsy Schramm (Cherokee), ONAC Native EITC/VITA Coordinator, at edgpj@aol.com.

To learn more about ONAC and its other Native asset-building programming, go to <https://oknativeassets.org>, or contact Christy Finsel (Osage), ONAC Executive Director, at cfinsel@oknativeassets.org.
