Listening Session Goals

Goals- Listening Session

Indian Country projects

CNCDE wants to hear from Indian Country leadership about new, community sustaining projects.

General Community

Economic development goals for your community

Goals- Listening Session

New ideas

One of CNCDE's four primary values is creativity. What types of creative projects are you working towards? How can we help your vision?

Open Forum

Is there a specific project that you would like to share as a potential NMTC project? If so, we'd love to hear about it and perhaps, highlight it to the CDFI.

Open Forum

Do you have an innovative idea that NMTC's could provide the gap financing i.e. 20% found equity?

Open Forum

Would anyone like to share their long-term goals that could potentially leverage NMTC's?

Open Forum

What do you all see as growth opportunities in Indian Country? Perhaps, pharmacy, home health, wellness, financial services, etc...

Open Forum

When CNCDE's advisory board is evaluating Indian Country projects, what type(s) of projects do you believe should receive priority?

Open Forum

What executive or legislative developments do you believe will shape Indian Country, both government and economic development, in the coming years?

- a. Tax reform
- b. Health care reform
- c. Administration

Open Forum

How is climate change affecting your tribe?

What is the state of your Nation's water and wastewater treatment facilities?

Is broadband internet readily available in your tribal area?

Do your citizens have access to retail offerings, namely healthy nutritious foods?

What plans for growth do your Nation's have for education?
Does your community have a Tribal college or university?
