

Update on NativeGiving Campaign

The Oklahoma Native Assets Coalition Inc. (ONAC) is a nonprofit organization that relies on grants, memberships, and generous donations to do our work in Oklahoma.

With your support, in December 2015, ONAC met the NativeGiving match gift challenge. Through this year-end campaign, our coalition received \$500.00 in match funds. During this campaign, with the donations from 39 individual donors, and the match funds, ONAC raised a total of \$1,250.00.

We wish to thank all the individuals who donated to our coalition. ONAC also thanks those who passed along our NativeGiving campaign requests to colleagues, family, etc.

ONAC congratulates two other Native nonprofits in our NativeGiving cohort. Sust'ainable Molokai (Kaunakakai, HI) and Tewa Women United (Española, NM) won the two NativeGiving campaign incentive awards for the most funds raised and the highest number of gifts. Both of these organizations are like ONAC in that they are smaller Native nonprofits doing work with Native children and families. We are proud to be in this cohort.

As we begin 2016, ONAC is grateful to work with our grantees and partners as we fund, design, and implement asset building projects in Oklahoma. It is an honor to work with you.

We appreciate your support and look forward to collaborating with you this year!

Christy and the ONAC Board and Advisory Committee Members
